OCTOBER TERM, 1983

No. 82-1705

NATIONAL LABOR RELATIONS BOARD, PETITIONER

v.

NEW YORK UNIVERSITY MEDICAL CENTER, ET AL.

ON PETITION FOR A WRIT OF CERTIORARI TO THE UNITED STATES COURT OF APPEALS FOR THE SECOND CIRCUIT

REPLY MEMORANDUM FOR THE NATIONAL LABOR RELATIONS BOARD

Respondent New York University Medical Center urges that the petition for a writ of certiorari in this case should be denied, so that the Board may reconsider the case. That suggestion should be rejected.

As respondent acknowledges (Response to Petition at 6), the court of appeals concluded that this case should be remanded to the Board because it disagreed with the Board's allocation of the burden of proof in dual motive cases, set out in *Wright Line, a Division of Wright Line, Inc.*, 251 N.L.R.B. 1083 (1980), enforced, 662 F.2d 899 (1st Cir. 1981), cert. denied, 455 U.S. 989 (1982). This Court subsequently upheld the Board's *Wright Line* allocation in *NLRB* v. *Transportation Management Corp.*, No. 82-168 (June 15, 1983). The court of appeals should have an opportunity to reevaluate whether a remand to the Board is still appropriate in light of *Transportation Management*.

It is therefore respectfully submitted that the Court should grant the petition for a writ of certiorari, vacate the judgment of the court of appeals, and remand to the court of appeals for further consideration in light of the Court's decision in *NLRB* v. *Transportation Management Corp.*[1]
